

Atlantic Capital named 2019 *Best Banks to Work For*

Atlanta, August 29th, 2019, Atlantic Capital (NASDAQ: ACBI) has been named one of the *Best Banks to Work For* in 2019.

The *Best Banks to Work For* program, which was initiated in 2013 by *American Banker* and Best Companies Group, identifies, recognizes and honors U.S. banks for outstanding employee satisfaction. Full results of this year's program are available at [American Banker](#) and in the September issue of *American Banker Magazine*.

"One of the critical factors in a bank's success is how it treats its employees. This year's list honors those institutions which have gone above and beyond to invest in employees' personal and professional growth," said Rob Blackwell, editor in chief of *American Banker*.

Determining the *Best Banks to Work For* involves a two-step process. The first step involves an evaluation of participating companies' workplace policies, practices, and demographics. In the second step, employee surveys are conducted to directly assess the experiences and attitudes of individual employees with respect to their workplace. The combined scores determine the top banks and the final ranking.

Atlantic Capital President and CEO Doug Williams said, "We are delighted to be chosen by *American Banker* for this prestigious award. Sustaining a culture that values the diverse contributions of our talented teammates who share a singular, noble purpose to Fuel Prosperity for our clients is our true north star. Through their individual and collective efforts, our teammates help our clients convert their dreams and aspirations to reality."

"At Atlantic Capital, we continually assess our workplace benefits and programs to ensure a meaningful teammate experience," remarked Chief Human Resources Officer Annette Rollins. "Being chosen by *American Banker* as a *Best Bank to Work For* is truly an honor, and we thank our Atlantic Capital teammates for all that they do each and every day."
