

Atlantic Capital Community 5K Raises over \$38,000 for Grove Park Neighborhood

(MAY 11, 2021) ATLANTA, GA--- The 3rd Annual Atlantic Capital Community 5K was held virtually on Saturday, May 1st and raised over \$38,000 for the Grove Park Foundation. This year's theme, Grove Park Strong, reflects the resilience of the neighborhood amidst a global crisis. The Foundation is dedicated to revitalizing the Grove Park neighborhood and improving the quality of life by working with local partners, leaders and residents to create a healthy, equitable and vibrant community. Atlantic Capital is proud to provide necessary funding and essential aid to one of Atlanta's most historic neighborhoods. 100% of the race registrations, donations and sponsorship dollars go to the Foundation to help re-build a healthy community.

"The Grove Park Foundation is beyond grateful for each walker, runner, and sponsor who participated in the 5k this year to support our efforts in the community. While we continue to heal from the devastating effects of COVID, great disparities in housing, healthcare, education and employment opportunities still exist. Funds raised this year will invest in our continued efforts to provide critical support to this community and improve the quality of life for so many of our neighbors," said Debra Edelson, Executive Director for the Grove Park Foundation.

"Atlantic Capital's mission is to fuel prosperity for our clients, communities, shareholders and employees. We are honored to have a strong relationship with the Grove Park community for the past decade. Our relationship includes financial services, but it is really about achieving forward-looking, meaningful community improvement. The Atlantic Capital Community 5K raised funds for the Grove Park Foundation, and this facilitates a direct investment back into community-improvement initiatives. We are big believers in this approach, and fueling prosperity in our communities is at the core of who we are," said Ashley Carson, Atlantic Capital's Business and Not-for-Profit Banking, Corporate and Community Affairs Executive.

The race typically runs in the historic Grove Park neighborhood, highlighting the Proctor Creek Trail and the neighborhood revitalization efforts. However, due to the COVID-19 pandemic, this is the second year the race was moved virtual. Participants shared their experiences on social media using the hashtag #GROVEPARKSTRONG.
